“Safe2tell is the right voice with the right message for our community and state. I support this program because it is making a difference in the lives of youth and families!”

— **Amy Stephens**
*State Representative,
House District 20*

“Academy School District 20 believes that its Teen Advisory Board for Safe2Tell will be a unique and effective prevention strategy that allows our students a powerful voice in creating a safe environment in their own schools.”

— **Dr. Mark Hatchell**
*Superintendent,
Academy School District 20*

“Safe2tell is an awesome program that has allowed our young adults and children to have a voice on what is going on in our schools and communities. Empowerment without the fear of retaliation! Make a call, make a difference! By doing so we are investing in our future.”

— **Charlie Graft**
*CEO
GH Phipps Construction Companies*

“Young people know what is happening in their schools and communities, they have a voice and we as adults have a responsibility to listen and empower them to make a difference.”

— **Susan Payne**
