## Helpful Hints and Information on using the new P3 Tipping Platform

On July 1, 2015, Safe2Tell Colorado implemented a tipping platform for receiving and distributing Safe2Tell Colorado reports, P3 Global Intelligence System. The new system allows for a more immediate, streamlined process for distributing tips to school and law enforcement teams, as well as facilitates improved communications with each Safe2Tell tip received. Below you will find a few helpful tips and resources on accessing, receiving, and reporting on Safe2Tell Colorado tips in the P3 system.

For more detailed instructions and information on P3, please visit our P3 resource page on our website: [safe2tell.org/p3-instructions-and-information/](http://safe2tell.org/p3-instructions-and-information/)

## RECEIVING TIPS

Instructions on viewing and opening Safe2Tell Colorado tips in P3

You now may receive report notifications by email and text!  
When you receive a Safe2Tell Colorado report notice, you will click on the link that is provided in the email and/or text to login to read reports.

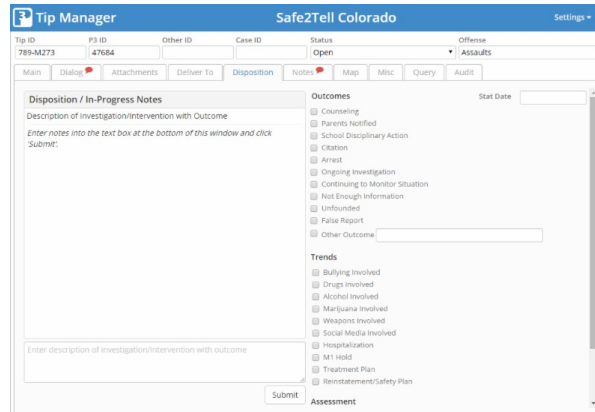

If you forget your password or haven't created one yet, enter your email and click on "Forget Password." This option allows you to create a new password at anytime.

## DISPOSITION REPORTS

Submitting an outcome report

Disposition reports, as well as in-progress notes, may be completed directly in the system. From the main report, click on the Disposition tab and enter information. Type any notes or progress and select the outcomes and trends to complete a report. This functionality allows the rest of your school team and law enforcement to know the actions taken.
