Helpful Tips and Strategies

Communication Tip:

Many school teams have developed email distribution lists for their district including school administrators, SROs, school security, and school psychologists. This is a great idea for communicating quick internal responses when Safe2Tell reports are received.

Disposition Reports:

In the P3 system, teams use the disposition/in-progress notes tab to inform other team members of their

Contact Updates

Ensure your team receives Safe2Tell

Colorado reports by updating contact information

Make sure your school response team always receive Safe2Tell reports by submitting any changes in staffing and contact information. You may submit any contact information changes using our new online web form at anytime. [Simply complete the form with the information changes](#), click submit, and the request is immediately forwarded to Safe2Tell Colorado staff. Click here to access the online form:

<http://bit.ly/1hl6J4l>

If you need to submit information for an entire district, please email us a spreadsheet with your contact updates as an attachment to info@safe2tell.org.

individual actions and responses.

Did You Know?

- Most Safe2Tell reports received this school year have come in on **Wednesdays and Thursdays between 4:00-5:00 pm?**
- Tips made by mobile app are now outnumbering web reports and phone calls, becoming the number one way people report concerns to Safe2Tell?

Social Media Campaign

Have a Facebook page or Twitter account for your school or district? Make sure to follow Safe2TellCO for shareable resources, images and information on school and community safety.

For questions regarding updating contact information or who should be listed for your school's response team, please call our Administrative Office line at 720-508-6811.

**Update
School Contact
Information**

Note: Note: All contact information maintained in the Safe2Tell database is not made available to the public. Contact changes are entered manually into the Safe2Tell staff during weekday business hours. If you require an immediate after-hours recipient contact change, please contact us using our on-call number (719) 433-4768.
