## Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 110 duplicates were reported in August alone—a 267% increase compared to July.

Top reporting categories in August	Number of reports
Bullying	164
Suicide	123
School Complaint	123

## 97.5% Valid reports

97.5% of reports received during the 2023-2024 school year, which began August 1, 2023, were determined to be valid. Valid reports are those requiring a response, and that are made with the intent to protect, prevent harm, or help.

## Sample reports

Correct use of Safe2Tell

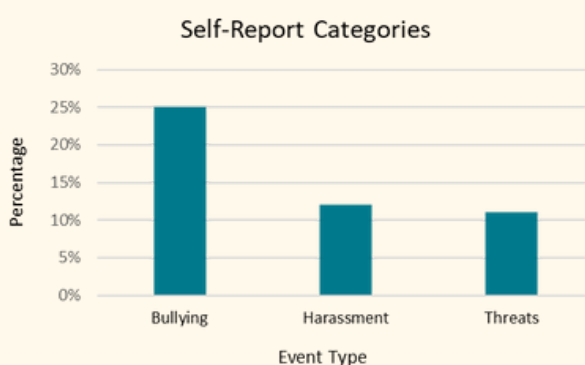

A person reported that a student posted a picture with a gun in their hand while on school property. Local law enforcement contacted the parents and conducted a welfare check. The student's belongings were searched, and no firearms were found. However, the student confirmed holding a gun in the picture but stated that the gun was not theirs. The student is currently on a safety plan.

Correct use of Safe2Tell

A person reported that a student shared that they were feeling suicidal and not receiving the help they need. Local law enforcement conducted a welfare check and spoke with the student and their parent. The student shared they are on a new medication that has been impacting their mood, but that they are feeling better. The student will call for help if something changes, and the parent and school will monitor the student.
