202

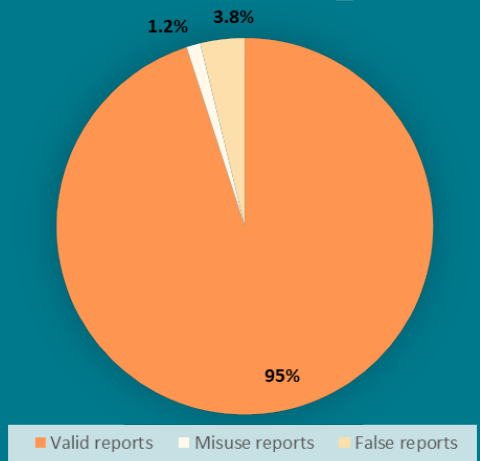

Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 1,248 duplicate reports have been reported during the current school year; 202 duplicates were reported in January alone—a 6% decrease compared to December.

Top reporting categories in January	Number of reports
School Complaint	248
Suicide	224
Bullying	219

95% Valid reports

95% of reports received during the 2023-2024 school year, which began August 1, 2023, were determined to be valid. Valid reports are those requiring a response, and that are made with the intent to protect, prevent harm, or help.

Sample reports

- Correct use of Safe2Tell**

A person reported their friends were being verbally and physically abused by another student. School teams investigated and spoke the individuals involved, which resulted in the student's parents being notified, a restorative conversation, and a suspension.
- Correct use of Safe2Tell**

A person reported a student flashing a knife to other students. Local teams investigated and the School Resource Officer found a weapon on the student. School disciplinary action was taken.

80
