26,852
 Reports were received to date for the 2023-2024 school year.

291

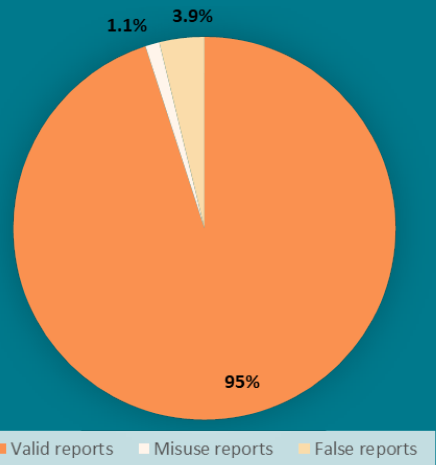

Duplicate reports

Duplicate reports are those regarding a concern or event that has already been reported, and they indicate a healthy culture of reporting safety concerns in a community. 2,280 duplicate reports have been reported during the current school year; 291 duplicates were reported in May alone—a 9% increase compared to April.

Top reporting categories in May	Number of reports
School Complaint	378
Bullying	308
Suicide	268

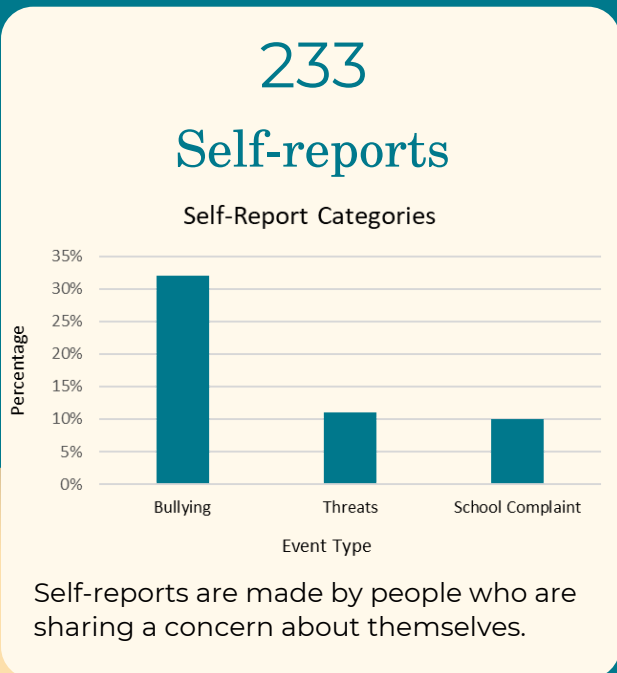

95% Valid reports

95% of reports received during the 2023-2024 school year, which began August 1, 2023, were determined to be valid. Valid reports are those requiring a response, and that are made with the intent to protect, prevent harm, or help.

Sample reports

- Correct use of Safe2Tell** — A person reported a student came to school with bruises because of a fight with their parent. Local law enforcement conducted a welfare check, and upon further examination, the Department of Human Services was brought into the investigation.
- Correct use of Safe2Tell** — A person reported their peer posted a concerning image on social media that referenced self-harming. School teams investigated, spoke with the student and their parent, and the student is undergoing a suicide assessment.
